

# Join the *HandyDART Riders'* *Alliance at our 1<sup>st</sup> Public Meeting!*

**Saturday March 1<sup>st</sup> 1:30 - 3:30**  
**411 Seniors Centre, #704-333 Terminal Ave.**  
**Vancouver**  
**(5 min east from Main Street SkyTrain station)**

The HandyDART Riders' Alliance is a new group of HandyDART riders and allies working for better HandyDART and accessible transit service.

The provincial government has reneged on their promise to fund transit improvements including HandyDART, and trip denials have gone up over 600% as a result. Service quality has also deteriorated, with riders routinely forced to wait for hours.

Everyone benefits from better transit, including our growing population of older seniors and people with disabilities. It is time to make major investments in transit including HandyDART, to make Metro Vancouver a livable and age friendly region. It is time to get organized!

**Get Involved!**
